Jeaneanne and Mita,

Attached are the draft materials for the 404 assumption rollout; I took WD's comms strategy and placed in the template HQ likes for us to use. Please take a look and provide any comments. I've got to get this to HQ **ASAP** so a quick review is very much appreciated. I updated our desk statement which is included in the comms plan and the draft press release is attached. Once I send to HQ, OPA and OW will likely do a concurrent review.

Apologies for the quick turnaround.

Thanks – Brandi
